MEMORANDUM FOR: Deputy Director for Intelligence

THROUGH: Director, Current Production and Analytic Support

FROM: Deputy Director, Imagery Analysis

SUBJECT: Request for Additional Distribution of Sensitive Intelligence Report

1. We have received a request from the office of Francis Mullen, Administrator of the Drug Enforcement Administration, for two additional copies of a sensitive, limited-distribution typescript memorandum we recently published. The memorandum addressed evidence of the involvement of high-level Nicaraguan Government officials in cocaine smuggling into the US. We believe the proposed recipients have a need-to-know for the information contained in the memorandum and that the additional copies should be forwarded to them. We would like your approval to do so. The additional copies are for the following recipients:

Judy Bertin  
Office of Intelligence, DEA

Jerry Carey  
Cocaine Investigations Desk  
Office of Enforcement, DEA

2. The original distribution list of the TSM is attached FYI.
